AUDITOR'S REPORT

SHEAN ACCOUNTING SERVICE

50 Main Street

Houlton, Maine

TO THE INHABITANTS OF THE TOWN OF TROY:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at your request, this office, represented by George W. W. Shean, has made an examination of the accounts and records of the town officials for the year ended February 28, 1966 and of the revenue received and disbursements made for the fiscal year then ended.

Our examination was made along the procedures set forth by the State Department of Audit and those recommended by the National Committee on Governmental Accounting. In our opinion the accompanying balance sheet and related statement of disbursements and receipts fairly present the position of the Town of Troy as of February 28, 1966.

This is to certify that this report is a true copy of the certified copy that is being mailed to the State Department of Audit as required under Section 145, Public Laws of 1954, and we hereby declare that this original and a copy are rendered to the Town of Troy.

Respectfully submitted,

George W. W. Shean

Municipal Auditor

TOWN CLERK

The Town Clerk's records that were related to our audit were carefully reviewed and found to have been well kept, complete and in agreement with the records of other town officials.

The minutes of the annual town meeting were properly reviewed, and recorded. It was noted that the oaths of offices for the various town officials were properly recorded.

The collection of dog taxes appeared to have been handled properly and all the money so collected promptly forwarded to the State Treasurer.

The oaths of the several town officials were recorded as required by law.

TOWN TREASURER

The cash book, check book and other records maintained by the Treasurer were carefully examined and found correct.

It was noted that money receipted for had been properly recorded and promptly deposited.

All disbursements had been made by check and the checking account had been reconciled each month with the bank statements. All payments had been correctly authorized by Assessors' Warrants.

TAX COLLECTOR

The tax collector received a commitment of \$27,726.-.20 plus supplemental taxes of \$27.00. This was accounted for by cash to the Treasurer of \$27,310.40

abatements were granted amounting to \$46.60 and liens were placed in the amount of \$359.40, this leaving uncollected 1965 taxes of \$36.80.

A list of all unpaid taxes will be found as Schedule 2 of this audit.

ASSESSORS, SELECTMEN AND GENERAL

The Assessors' 1965 Municipal Valuation book was examined and found to have been correctly handled. The method of describing the property taxed appeared to be proper and adequate. The Valuation book had been properly signed by all three Assessors.

A summary of the Assessors report will be found a part of Exhibit C of this audit report.

The books and records of the first Selectman were used as the basis of our audit. All of these records were found in good order and clearly set forth the financial transactions of the Town of Troy for the municipal year ending February 28, 1966.

We wish to thank the town officials who so kindly assisted us in preparing this audit.
